Notification

Notice of lane and hard shoulder closures on M6/M42 link road

December 2020 | **www.hs2.org.uk**

High Speed Two (HS2) is the new high speed railway for Britain. Early works for HS2 are carried out by LM – a joint venture between Laing O'Rourke and J. Murphy & Sons.

There will be daytime and overnight lane closures

There will be daytime and overnight lane and hard shoulder closures on the M6/M42 link roads to the south of Water Orton. These measures will allow safe access to our work sites to prepare for future construction works, which include roadside vegetation clearance.

The closures will be in place as per the phased dates and times below. Our teams may be on site up to one hour before and one hour after the works to set up and secure the site at the end of each day.

Please see the map overleaf for more information for each phase. Traffic will still be able to travel along these roads while our works progress.

- Phase 1, daytime eastbound and westbound hard shoulder closures: **4 January – 8 January, 9:30am – 3:30pm**
- Phase 2, overnight eastbound and westbound inside lane closures: **11 January – 16 January, 10:00pm – 5:00am**

HS2 and the COVID-19 outbreak

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current COVID-19 strategy makes clear that construction activity can continue as long as it complies with this guidance.

The health and safety of our workforce and the communities we affect is our key priority. Please be assured that those sites that are currently still working are doing so because they can operate within PHE and construction industry guidelines.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

Phased at daytime and overnight hours from Monday 4 January until Friday 16 January 2021.

Please note that the times and dates in this notification are subject to change.
