Notice of traffic management on Watton Lane and the A446

June 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Early works for HS2 are carried out by LM – a joint venture between Laing O'Rourke and J. Murphy & Sons. Please note that the times and dates in this notification are subject to change.

There will be temporary traffic lights

There will be temporary traffic lights on Watton Lane and the A446 in phases as below. This will allow safe access to our work sites to prepare for future construction works, which include roadside vegetation clearance and ecological mitigation activities. Our works will be phased as below:

- Phase One, traffic lights on Watton Lane – **28 June to 29 June**
- Phase Two, traffic lights on A446 and Watton Lane – **30 June to 2 July**

The traffic lights will be in place between **8:00am and 6:00pm**, subject to change. Our teams may be on site up to one hour before and one hour after the works to set up and secure the site at the end of each day. Please see the map overleaf for more information on these works.

HS2 and the COVID-19 outbreak

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current COVID-19 strategy makes clear that construction activity can continue as long as it complies with this guidance.

The health and safety of our workforce and the communities we affect is our key priority. Please be assured that those sites that are currently still working are doing so because they can operate within PHE and construction industry guidelines.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
