Notice of traffic management B4118 Birmingham Road - footbridge construction

September 2021 **www.hs2.org.uk**

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high speed railway in your area.

The work we will be doing

A notification was sent out in July to notify residents of a temporary road closure on the B4418, to complete work to install a footbridge over the B4118 Birmingham Road. Unfortunately, these works were unable to take place on that night. However, we will now be installing the footbridge over the B4118 Birmingham Road overnight on Saturday 18 September from 8pm until 6am on Sunday 19 September. In order to undertake our works safely we will implement a full closure of the B4118 Birmingham Road between these times with a diversion in place.

As well as these works, we will carry out site access construction works. In order for us to carry out these works safely we will implement two-way temporary traffic lights on the B4118 Birmingham Road on Monday 20 September. The temporary traffic lights will be in place from 9.30am – 3.30pm.

HS2 during the COVID-19 pandemic

We are continually reviewing the works on our construction sites in line with the Government and Public Heath England (PHE) advice on dealing with coronavirus. The Government's current coronavirus strategy makes clear that construction activity can continue as long as it complies with this guidance. The health and safety of our workforce and the communities we affect is out key priority. Please be assured that those sites that are currently still working are doing so because they can operate within PHE and construction industry guidelines.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: https://www.groundwork.org.uk/hs2funds

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter
We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner
You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:
