

We would like to invite you to an event about the design of the River Cole Viaducts and Chattle Hill Structure

High Speed Two (HS2) is the new high speed railway for Britain. Our events are an opportunity for you to find out more about the project and what it means for your local area.

At our upcoming in-person and online events, you will be able to find out about the latest design for the River Cole Viaducts and Chattle Hill Structure, which incorporate community feedback from our previous round of engagement in 2021.

Come and talk to us on

Tuesday 28th June 2022

**Water Orton Cricket Club, Coleshill Road, Water Orton,
B46 1QX**

4pm – 7pm
