**Subject:** Agenda for November

Dear Rachel

Just a note to confirm a few agenda items for November from the WOHCS.

We wish for the Parish council to actively support us in pushing through the Conservation area extension for the village this year.

We wish for the Parish council to support us in pursuing the TPOs on the Village Green. (These TPOs were submitted last year).

Sean Dempsey and Jennifer Deebank wish to attend the SMZ meetings.

We wish to understand who will be responsible for maintaining the new village green in Plank Lane. What plans have been established for this venture.

When will the Parish council receive the 20K from the developer and is the money going to be used to develop the site for the benefit of the community.
