Public Spaces Protection Order - Dog Fouling

The council is proposing to introduce a Public Spaces Protection Order (PSPO), to prevent anti-social behaviour arising from dog fouling within the borough of North Warwickshire.

Prior to making a PSPO, the Council must be satisfied that the activity that the order seeks to prohibit, is having or is likely to have a detrimental effect on the quality of life of those in the locality and is, or is likely to be, persistent or unreasonable in nature.

One method of ascertaining whether a PSPO is necessary is through public consultation. It is proposed that the consultation process is conducted in accordance with Cabinet Office Guidelines for PSPO's. To ensure that the towns and parishes can consider these proposals within their meeting cycle, the consultation period will be conducted within 6 weeks.

[The full PSPO can be found here.](#)

The consultation will run until Friday 8 December 2023.
