

Clerk's Report

Registration of the Village Green

The application to register the village green as a village green has been completed in draft. The Clerk has researched some information relating to the evidence required in the form of witness statements and has prepared a template witness statement which the solicitor has reviewed. The witness statements are in the process of been sent out to residents who have agreed to prepare one to support the application.

NW Connect and Learn Sessions

A date has been arranged for Wednesday 21 August 2024 between 10.00am to 12.00pm for the start of the development online skills to be hosted at the Pavilion. The clerk is in receipt of posters that need to be put up on the noticeboards to make people aware of the event.

Incidences

There have been a few incidences that have occurred around the village, graffiti on the bus stops and pieces of the wet pour flooring around the swing area on the village green have been taken out. The Clerk has completed reports regarding the incidences to Warwickshire Police online. The Clerk has received contact from Warwickshire Police advising that they would not be taking the matters any further but the reports would all be grouped together which may then result in more police patrols in the area.

CiLCA Qualification

The Clerk has completed the first session of the CiLCA training on Tuesday 09 July 2024, Introduction and Unit 1, and is in the process of completing the Learning Outcomes. The next session of the CiLCA training will be held on Tuesday 17 September 2024.
