Credit Control Privacy Statement.

The information we collect is for the sole purpose of invoicing for any service provided to you and any recovery of outstanding charges for such services.

We may collect details such as name, telephone number, email address, banking details that you have provided to us when contracting for a service making an enquiry by phone, email or post and arranging payment plans.

We will retain your personal information in accordance with the General Data Protection Regulation (GDPR) and never retain your information for longer than necessary.

Your information is held securely by limiting access to our buildings and implementing access controls to our information technology.

We will only contact you with regard to the purposes outlined above.

For more information please see our website -
