Good Morning Daphne,

I cant believe it has taken all this time to settle the planning , from 2<sup>nd</sup> September we will be able to revisit the land gift to the Parish. I understand there has been a recent application to put a telephone mast on the site, this application has been refused by NWBC once but has been reapplied for, I would say that we have had no say in the application nor do we have any control over it and add that we are not at all happy about it and that it has been imposed on us.

If the Parish is still of the same mind as it was in 2021 then I will start the ball rolling.

Regards

Nic Bevan

Good Morning Richard

Thank you for your email. Please accept my apologies for not responding to you sooner.

The parish council met on 24th June 2021 and discussed the transfer of land on Marsh Lane to the parish council from Beaver Metals. The council agreed that this piece of land would be beneficial to the community and as such unanimously approved the transfer.

I look forward to hearing from you in due course.

regards

Daphne Robinson  
Clerk to the Council
