(Appendix 06) – 30 January 2025

Email dated 18/01/2025- Water Orton Carnival 2025
Proposed Carnival date: 20 June to 23 June 2025

I hope you and yours had a fantastic festive break and that 2025 is treating you well.

It's that time again when we start planning in earnest for the Carnival but, without WOPC's support, we know we can't go ahead. We would like permission to use the playing fields again for the weekend of 20th - 23rd June, with Carnival on Saturday 21st June please.

Whilst not as successful as previous years, last year's Carnival raised enough funds that we were able to provide grant funding to the Library, Boys Brigade, Brownies, Gaming Club, paid for the sweets Santa distributed at the beginning of December and will allow us to host the ever popular Pensioners Party again.

We'd be grateful if we could discuss our request and hopefully gain your approval to proceed to plan and deliver the event the whole village engages with.

Many thanks Toni
