Agenda Item: Insert wording to appear on the agenda. The recommendation the motion/resolution that you are seeking i.e., "to resolve to…" "To note that …"	To consider the response to the Regulation 19 consultation being carried out by NWBC. Recommendation: That the Parish Council commits to providing a response to the Regulation 19 notice before the deadline. This response to be considered at the Parish Council meeting of 26th November. That the Parish Council provides suitable notification to residents concerning the response to the plan and encourages responses from the village using suitable communication channels.
Background Information: Insert as much information as possible so that councillors have the detail, they need to make an informed decision e.g., cost, time, long term/short term project, where, how, when why??	The latest iteration of the Local Plan has been in development since 2023 and is due to be submitted to the planning inspectorate before the end of the year. The Parish Council has made representations during formal consultation periods and outside of these times and consulted with other Parish Councils through bodies such as NWAC. Whilst the local plan has garnered intermittent interest from residents this has focussed around individual planned inclusions of sites for housing in the plan. Whilst of considerable concern to the Parish Council the responses have also considered other matters relating to infrastructure and transport. Parish Councillors should be mindful that responses also have to take into consideration the neighbourhood plan accepted by the village in a referendum with a majority c 90%.
